Dear Mr. *Gossman* Gossman:

On behalf of the Office of Legal Education, I would like to thank you for participating as an instructor at the Mortgage Fraud Seminar, February 23-25, 2011, in Columbia, South Carolina. Your participation helped make the seminar a success. We greatly appreciate the time and energy you devoted to preparing your remarks.

The evaluations which were submitted by the attendees contained many positive comments about the content and format of the course and your presentation. We are pleased that so many of the participants found the program to be valuable and are tremendously grateful for your contribution.

If you have any ideas or suggestions on improving the content of the course, please let me know. Without your participation and commitment we would not be able to offer important seminars such as this one.

Sincerely,

Cam Towers Jones
Assistant Director

Great presentation! I'll be in touch with you later about a presentation and typing in April.
