Re: *United States v. Philip E. Cardarella, et al.*
Case No. 07-00007-02/03/06/07-CR-W-FJG

How
Dear Mr. Gossman:

On behalf of the United States and the United States Attorney's Office, thank you for your cooperation with the United States in the prosecution of the above-referenced case. As you may have heard, the jury returned verdicts Wednesday, November 7, 2007, after deliberating for four days. The jury found Monty Kinman and Rick Peterson guilty on all counts against them except for one count, and found Philip Cardarella and Katheryn Shields not guilty of the counts against them.

Your cooperation and assistance were essential to the trial of this case. In fact, without the cooperation and assistance of you and others like you, the justice system of this great country could not function. Thank you for being part of the process of justice.

Very truly yours,

Linda

It was a pleasure working with you & getting to know you - at least a little. Thanks for everything you did.
